affiliate West Coast Life Insurance Company. We show the corresponding SERFF Tracking Number in the "Corresponding Filing Tracking Number" area.

We are submitting the captioned forms for review and approval. They are new forms, which will not replace any form currently in use by the company. This filing does not contain any unusual or possibly controversial items that vary from normal company or industry standards.

Currently this optional endorsement will be available with the following base policies:

UL-15-AR 11-06 Approved 09/22/2006 SERFF Tracking SERT-6T8VED725/State Tracking 33683

UL-17-AR 2-10 Approved 05/12/2010 SERFF Tracking PRTA-126596595/State Tracking 45488

The endorsement is intended for the general insurance market. It is only offered at issue on new policies, and is optional on the part of the policyholder. There is no cost to the policy holder if the endorsement is elected. The endorsement will offer the owner choices in how the death benefit will be paid to the beneficiary. The Pre-Determined Death Benefit Payout may include an initial lump sum and/or installment payments of a fixed amount for a certain number of years. The Owner may choose the combination amounts of the initial lump sum and payments that best suits their needs. Prior to the insured's death, the owner also has the option to change from the Pre-Determined Death Benefit Payout to a single lump sum death benefit of the face amount.

The submitted forms are in final print, just, as they will be delivered to contract owners. The company reserves the right at any time to make minor non-material format changes including, but not limited to: paper stock, type face (but not font size) and page layout that become unavoidably necessary as a result of computer hardware and/or software upgrades and print technology changes. We certify that any necessary format changes will not affect the specific content of the approved form.

We are filing the form concurrently in the company's domiciliary state of Tennessee.

PRE-DETERMINED DEATH BENEFIT PAYOUT ENDORSEMENT

We are amending the Policy to which this endorsement is attached to fix the terms of payment for the Policy's Death Benefit to conform to the instructions you provided us when you purchased the Policy. There is no charge for this endorsement. The Policy is revised as described in this endorsement. Policy provisions not expressly modified by this endorsement remain in full force and effect.

1. The provisions that follow are added to the end of the section entitled "Death Benefit".

Payment of the Death Benefit Proceeds: The amount, frequency and duration for payment of the Death Benefit Proceeds are described in the Death Benefit Payment Schedule shown in the Supplemental Policy Schedule. We will make the initial payment as soon as administratively possible after we receive a claim in good order. A Beneficiary may apply Death Benefit Proceeds, which are payable as either an initial or single lump sum, to a settlement option.

If the Death Benefit is adjusted according to the Policy provisions prior to paying the Proceeds to the Beneficiary, the amounts shown in the Death Benefit Payment Schedule will be adjusted pro-rata. Death Benefits payable from any rider attached to this policy will be added to the initial lump sum, if any. If the Death Benefit Proceeds are to be paid by installments only, rider death benefits will be added to the first installment.

Death of the Beneficiary: If a Beneficiary dies before their share of the Death Benefit Proceeds are paid in full, we will continue the Installment Payments to their successor Beneficiary, as contained in our records. A successor Beneficiary is the person designated by the Beneficiary to receive the remaining death benefit proceeds, if any, upon the Beneficiary's death. If no successor Beneficiary is named, or if no successor Beneficiary is living at the time of that Beneficiary's death, we will pay the entire commuted value to the estate of the deceased Beneficiary.

2. The following provision is added to the end of the section entitled "Changing the Policy".

Changing the Death Benefit Payment Schedule: While this Policy is in force during the life of the Insured, you may change the Death Benefit Payment Schedule or elect payment of the death benefit in a single lump sum with no installment payments. A Beneficiary cannot change the Death Benefit Payment Schedule or elect a single lump sum after the death of the Insured. We must receive written consent from any irrevocable beneficiary or assignee of record.

Signed for the Company as of the Effective Date.
